This needs to be frankly admitted that Jews are involved in third-world immigration into Western countries.

Izvor: https://minbarlive.com/videos/this-needs-to-be-frankly-admitted-that-jews-are-involved-in-third-world-immigrat

> A speaker discusses Jewish involvement in immigration advocacy organizations and NGOs that promote Third World immigration into Western countries, framing this as a phenomenon that should be openly acknowledged.

SAŽETAK

This short segment addresses the topic of Jewish participation in immigration advocacy movements and non-governmental organizations (NGOs). The speaker contends that Jews are involved—often prominently—in organizations that advocate for increased immigration from the Third World into Western nations. The speaker frames this as a matter that requires frank acknowledgment from Jewish communities globally. The segment does not elaborate on specific organizations, motivations, evidence, or counterarguments, presenting the claim as an assertion rather than a detailed analysis.

KLJUČNE PORUKE

- The speaker asserts that Jews are involved in immigration advocacy organizations and NGOs.
- The speaker claims these organizations promote Third World immigration into Western countries.
- The speaker argues this involvement should be openly admitted by Jewish communities worldwide.

ČLANAK

This needs to be frankly admitted by Jews all over the world: there are, without doubt, Jews involved in those movements and those organizations—very often NGOs—who promote the phenomenon of Third World immigration into Western countries.
